its attorneys to prosecute the above-referenced application and to transact in connection therewith all business in the U.S. Patent and Trademark Office and before competent International Authorities.

PATENT
Docket No. 61812-00003

In accordance with 37 C.F.R. § 3.73, the assignee hereby certifies that the evidentiary documents with respect to its ownership have been reviewed, and to the best of the assignee's knowledge and belief, title is in the assignee seeking to take this action.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
